About Camp

Falcons Co-ed Basketball Camp offers specialized basketball instruction with an emphasis on the fundamentals essential to developing a player's game, including rebounding, ball-handling,

passing, shooting, and defense. Each day, campers will apply these skills in 3-on-3 and/or 5-on-5 games. The camp's goal is to improve players of all abilities by increasing their enthusiasm and self-confidence.

Campers learn teamwork and good sportsmanship from experienced coaches and junior counselors. **Most importantly, campers learn to enjoy sports in a positive and supportive environment.**

Please note the Cancellation Policy on reverse.
